Agenda Highlights:

This year's conference includes a vendor fair and more networking time. We have two featured presentations this year. First, see how humor helps build on a foundation of excellence to help you manage stress and become more effective at what you do. "Funsultant", Ron Culberson's mission is to help healthcare staff and leaders achieve a new level of excellence through humor. He helps them have more FUN while preserving the integrity of the work they do and the lives they lead.

Also featured is Jenny DeVaughn who is known as the "CEO" (Chief Enthusiast Officer) and specializes in strategic corporate and professional growth via social media consulting. Learn how to leverage free social media tools to increase revenue, discover new clients, gain a competitive advantage, demonstrate value, engage talent, genuinely connect with target prospects and monitor their brand online.

Plus:

- The Advisory Board will be here to review a study on *Managing Disruptive change: Best Practices for Overcoming Employee Resistance*.
- TowersWatson will update us on the current trends in compensation and benefits
- HR Legal Update from the attorneys at Whiteford, Taylor and Preston.
- Scholarship Awards and as usual plenty of Great Door Prizes!
